We cannot influence whether God is necessary for physical life-He either exists or He doesn't; He's either directly involved, or He isn't. But many do attempt to find spiritual life without God-in fact, the wisest man in history tried. Without the power of the Holy Spirit, however, he had to try to find spiritual meaning in physical things.

Can Man Live Without God was equally an incredibly good book and an very complex book. The author sets out to discuss what man would be like, and in fact if he could possibly exist at all, without God. This ultimately boils down to whether or not God and Christ are real, if the story of a savior is true. Why I say the book is complex is d
