Divine Comedy by Dante Alighieri

"This Dover edition, first published in 2017, is an unabridged republication of The Divine Comedy, translated and with Notes by Henry Wadsworth Longfellow, originally published in 1867 by George Routledge & Sons, London"--Title page verso.

This Everyman's Library edition--containing in one volume all three cantos, Inferno, Purgatorio, and Paradiso--includes an introduction by Nobel Prize--winning poet Eugenio Montale, a chronology, notes, and a bibliography. Also included are forty-two drawings selected from Botticelli's marvelous late-fifteenth-century series of illustrations. Translated in this edition by Allen Mandelbaum, The Divine Comedy begins in a shadowed forest on Good Friday in the year 1300. It proceeds on a journey that, in its intense recreation of the depths and the heights of human experience, has become the key with which Western civilization has sought to unlock the mystery of its own identity. Mandelbaum's astonishingly Dantean translation, which captures so much of the life of the original, renders whole for us the masterpiece of that genius whom our greatest poets have recognized as a central model for all poets.

Divine Comedy by Dante Alighieri

An acclaimed translation of Dante Alighieri's The Divine Comedy Volume 1: Inferno that retains all the style, power and meaning of the original A Penguin Classic This vigorous translation of Inferno preserves Dante's simple, natural style, and captures the swift movement of the original Italian verse. Mark Musa's blank verse rendition of the poet's journey through the circles of hell recreates for the modern reader the rich meanings that Dante's poem had for his contemporaries. Musa's introduction and commentaries on each of the cantos brilliantly illuminate the text. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Divine Comedy by Dante Alighieri

Divine Comedy by Dante Alighieri

Divine Comedy by Dante Alighieri

"Finally I realised that I had been practising for this job every time I wrote a quatrain ... I had spent all this time - the greater part of a lifetime - preparing my instruments" The Divine Comedy is the precursor of modern literature, and Clive James's new translation - his life's work and decades in the making - presents Dante's entire epic poem in a single song. While many poets and translators have attempted to capture the full glory of The Divine Comedy in English, many have fallen short. Victorian verse translations established an unfortunate tradition of reproducing the sprightly rhyming measures of Dante but at the same time betraying the strain on the translator's powers of invention. For Dante, the dramatic human stories of Hell were exciting, but the spiritual studies of Purgatory and the sublime panoramas of Heaven were no less so. In this incantatory new translation, James - defying the convention by writing in quatrains - tackles these problems head-on and creates a striking and hugely accessible translation that gives us The Divine Comedy as a whole, and dramatic work.

The Divine Comedy (1320) is a narrative poem by Dante Alighieri. Begun in 1308 while Dante was exiled from his native Florence, The Divine Comedy—a long poem divided into three books of 33 cantos each—presents the author's spiritual journey from sinfulness and despair to salvation and self-understanding. Written in the Tuscan vernacular, the poem was influential in establishing a standardized Italian language. In the first book, Inferno, Dante is led by the Roman poet Virgil into Hell. There, he comes to terms with his own sinfulness while observing the horrors and tortures suffered by those condemned to eternity in its circles. Along the way, Dante encounters historical figures, acquaintances, and other individuals whose violence, fraud, treachery, and betrayal led their spirits to terrible suffering. This technique, which incorporates dialogue with detailed description, is used throughout The Divine Comedy to provide context on historical, theological, and political subjects while simultaneously situating the poet as narrator and interlocutor in his own work. In this way, the physical and spiritual journey portrayed in the poem becomes a journey for Dante himself, a way of transcending the despair he describes at its beginning. In Purgatorio, Dante follows Virgil on an ascent of the Mountain of Purgatory, where he encounters the souls of sinners who must atone for their actions in life before entering Heaven. Leaving Virgil behind, Dante, in Paradiso, follows a divine Beatrice through the celestial spheres of Heaven. As he approaches God and his own salvation, changed by a newfound sense of "the Love which moves the sun and the other stars," Dante ascends to the heights of world literature, uniting the created soul and the artist's creation as no other poet has done before or since. With a beautifully designed cover and professionally typeset manuscript, this edition of Dante Alighieri's The Divine Comedy is a classic of Italian literature reimagined for modern readers.

Having survived the depths of Hell, Dante and Virgil ascend out of the undergloom to the Mountain of Purgatory. Dante's illustrative examples of sin and virtue draw on classical sources as well as on the Bible and on contemporary events.
