Federalism on Trial: State Attorneys General and National ...

Federal law is created at the national level, and applies to the entire nation (all 50 states and the District of Columbia), and U.S. territories. The U.S. Constitution forms the basis for federal law; it establishes government power and responsibility, as well as preservation of the basic rights of every citizen.. State law is the law of each separate U.S. state and is applicable in that ...

A neighborhood association brings a case in state court against a defendant who sacrifices goats in his backyard. When the court issues an order (called an injunction) forbidding the defendant from further sacrifices, the defendant challenges the state law in federal court as an unconstitutional infringement of his religious freedom.
