"Fundamentals of Financial Accounting responds by using carefully chosen focus companies that students recognize and engage with in their everyday lives. From tech start-ups to some of the world's most familiar trademark brands, each chapter opens with an engaging scenario or story using a familiar company. The same focus company, such as Walmart, Cedar Fair, American Eagle, National Beverage, Under Armour, or General Mills, is used throughout the entire chapter so that students can see how the concepts and calculations apply to a real-world company they are already familiar with"--

Financial Accounting Essentials You Always Wanted To Know: 4th Edition prepares new managers and leaders with the foundation to understand financial accounting, a critical tool to document finances to shareholders, government tax authorities and other critical parts of the business ecosystem.
