On behalf of teachers everywhere, let me answer: Yes, your child is being challenged enough. Teachers are incredibly skilled at creating multilevel lessons. You might not even realize it, but teachers naturally develop their daily lessons and activities to meet the needs of multiple students with different skill sets.

Parents, Here Are Good Questions to Ask Teachers (and What ...
Clearly these left-wing “ teachers ” unions don ’ t want parents to know the lies they are telling the children. According to the Tennessee Star parents are being sent forms to fill out that include a pledge that they will not monitor what their kids are doing during the school ’ s online training sessions.. Any parent who signs that is a fool!

The new editions of the Let's Go student books and workbooks feature the original syllabus in a new design. The teacher's books, with mid-term and final tests, have been completely rewritten with almost twice as much material. They now include special tips for teachers and reproducible activities for the classroom. New recordings of the cassettes and CDs feature more of the student book language, while the wall charts (for levels 1-2 only) have been revised to match the student's books.
