Features: • Over 3,000 idioms • Clear and easy definitions • Thousands of examples show real usage • A unique Activator® section to help find the right phrasal verb

A guide to English phrasal verbs, containing an analysis of over 12,000, covering both British and American usage. There are over 25,000 natural examples of phrasal verbs in context, grammar codes, and coverage of verbal idioms and related nouns and adjectives.

The new edition of the Cambridge Phrasal Verbs Dictionary covers around 6,000 phrasal verbs current in British, American and Australian English. Clear explanations and guidance help learners master this difficult yet essential aspect of the English language. \* Fully updated with new phrasal verbs, e.g. cosy up to, copy in, sex up \* Clear advice on grammar and usage \* Thousands of example sentences show phrasal verbs in typical contexts \* Most common phrasal verbs highlighted so students know which to learn \* A thematic section shows phrasal verbs in topic groups for vocabulary expansion

An invaluable new reference book for learners who need to master this notoriously difficult aspect of the English language. Based on evidence from the Cambridge International Corpus, this book provides clear and simple explanations of over 4,500 phrasal verbs current in British, American and Australian English today. It uses a carefully controlled defining vocabulary, making all explanations easy to understand. It contains thousands of example sentences, showing phrasal verbs in context and gives clear information on grammar and collocation without using complicated codes. In addition, it gives students guidance on the most useful phrasal verbs to learn and includes exercises enabling students to practise phrasal verbs. It also contains theme panels presenting phrasal verbs in topic groups [e.g. relationships: chat up, ask out, settle down, split up].

This dictionary for intermediate-advanced level learners of English as a foreign language, combines a collocations (combination of words used) dictionary with a thesaurus, ensuring English learners choose the correct word and collocation every time.

A full picture of English as used in 2001, this comprehensive guide to written and spoken English has been updated with a new words section and colour headwords.
