Low Town 1 Daniel Polansky
In Low Town, no one can be trusted. Daniel Polansky has crafted a thrilling novel steeped in noir sensibilities and relentless action, and set in an original world of stunning imagination, leading to a gut-wrenching, unforeseeable conclusion. Low Town is an attention-grabbing debut that will leave readers riveted . . . and hungry for more.

Amazon.com: Low Town (Low Town, Book 1) (9780307743343 ...
Low Town is Daniel Polasnky's debut novel - a fantasy that's not completely a fantasy. Told in the first person, Low Town is, and I don't think I'm the first to report, a crime noir story in a fantastical setting. It literally is a crime thriller set in a medieval secondary world...and it's works really well.

Low Town (Low Town, #1) by Daniel Polansky
Polansky's fantasy world draws upon a range of real world historical settings - Low Town felt like a thinly disguised eighteenth/nineteenth century London while the main character's war reminiscenses seem to have been based on WW1 (the battle of Apres, sounding very much like the battle of Ypres) - with some magical elements and a bit of noirish dialogue sprinkled on top.

Low Town Series by Daniel Polansky - Goodreads
Low Town by Daniel Polansky. Genre: Fantasy. Series: Low Town #1. Publisher: Doubleday (August 16, 2011) Author Information: Website | Twitter. Length: 352 pages. My Rating: 4 stars. A noir crime story set in a fantasy setting; Low Town is a dark tale of drug dealers, realistic politics, corrupt cops, and vile sorcery. And while this is Daniel Polansky's debut novel, it does not read that way at all, but displays the deft touch of a master storyteller, which is why it is a must read for ...

Low Town by Daniel Polansky | Audiobook | Audible.com
LOW TOWN A MYSTICAL MYSTERY by Daniel Polansky The story takes place in a city called Rogus which is a part of the city of Thirteen Lands. This place is populate by many divergent cultures. The period of the story is not relevant. The story covers several genras--mystery, noir and fantasy.

Summary and reviews of Low Town by Daniel Polansky
" Daniel Polansky is one of my favorite new writers. Again and again, he manages to reinvent and invert well-worn genres. Imagine a mash-up of Trainspotting and Harry Potter and you might end up with something as wonderfully gonzo as A City Dreaming. M is a gloriously under-achieving, couch-surfing mage for the Instagram generation.

Daniel Polansky
Low Town (Low Town #1) by Daniel Polansky. 9:16 am 21 February 2016. As I am writing this while slightly loopy on cold meds, please pardon any rambling that might ensue. It doesn't change the fact that Low Town impressed me so very much, that it has firmly settled Daniel Polansky into my favorite authors list. After reading a short story of his ...

Low Town Audiobook by Daniel Polansky - 9780307934291 ...
The third novel in Daniel Polansky's brilliant dark fantasy 'Low Town' series. Low Town: the worst ghetto in the worst city in the Thirteen Lands. Good only for depravity and death. And Warden, long ago a respected agent in the formidable Black House, is now the most depraved Low Town denizen of them all.

In the forgotten back alleys and flophouses that lie in the shadows of Rigus, the finest city of the Thirteen Lands, is Low Town. It is an ugly place, and its champion is an ugly man. Disgraced intelligence agent. Forgotten war hero. Independent drug dealer. After a fall from grace five years ago, a man known as the Warden leads a life of crime, addicted to cheap violence and expensive drugs. Every day is a constant hustle to find new customers and protect his turf from low-life competition. The Warden's life of drugged iniquity is shaken by his discovery of a murdered child down a dead-end street, setting him on a collision course with the life he left behind. As a former agent with Black House--the secret police--he knows better than anyone that murder in Low Town is an everyday thing, the kind of crime that doesn't get investigated. To protect his home, he will take part in a dangerous game of deception between underworld bosses and the psychotic head of Black House, but the truth is far darker than he imagines.

Drug dealers, hustlers, brothels, dirty politics, corrupt cops . . . and sorcery. Welcome to Low Town. In the forgotten back alleys and flophouses that lie in the shadows of Rigus, the finest city of the Thirteen Lands, you will find Low Town. It is an ugly place, and its champion is an ugly man. Disgraced intelligence agent. Forgotten war hero. Independent drug dealer. After a fall from grace five years ago, a man known as the Warden leads a life of crime, addicted to cheap violence and expensive drugs. Every day is a constant hustle to find new customers and protect his turf from low-life competition like Tancred the Harelip and Ling Chi, the enigmatic crime lord of the heathens. The Warden's life of drugged iniquity is shaken by his discovery of a murdered child down a dead-end street . . . setting him on a collision course with the life he left behind. As a former agent with Black House—the secret police—he knows better than anyone that murder in Low Town is an everyday thing, the kind of crime that doesn't get investigated. To protect his home, he will take part in a dangerous game of deception between underworld bosses and the psychotic head of Black House, but the truth is far darker than he imagines. Low Town is an attention-grabbing debut that will leave readers riveted . . . and hungry for more.

Here, the criminal is king. The streets are filled with the screeching of fish hags, the cries of swindled merchants, the inviting murmurs of working girls. Here, people can disappear, and the lacklustre efforts of the guard ensure they are never found. Warden is an ex-soldier who has seen the worst men have to offer; now a narcotics dealer with a rich, bloody past and a way of inviting danger. You'd struggle to find someone with a soul as dark and troubled as his. But then a missing child, murdered and horribly mutilated, is discovered in an alley. And then another. With a mind as sharp as a blade and an old but powerful friend in the city, he's the only man with a hope of finding the killer. If the killer doesn't find him first.

WINNER OF THE PRIX IMAGINALES AWARD FOR BEST FOREIGN NOVEL IN 2012.

The third novel in the brilliant dark fantasy Low Town series Low Town: the worst ghetto in the worst city in the Thirteen Lands. Good only for depravity and death. And Warden, long ago a respected agent in the formidable Black House, is now the most depraved Low Town denizen of them all. As a younger man, Warden carried out more than his fair share of terrible deeds, and never as many as when he worked for the Black House. But Warden's growing older, and the vultures are circling. Low Town is changing, faster than even he can control, and Warden knows that if he doesn't get out soon, he may never get out at all. But Warden must finally reckon with his terrible past if he can ever hope to escape it. A hospital full of lunatics, a conspiracy against the corrupt new king, and a ghetto full of thieves and murderers stand between him and his slim hope for the future. And behind them all waits the one person whose betrayal Warden never expected. The one person who left him, broken and bitter, to become the man he is today. The one woman he ever loved. She who waits behind all things.

A missing eye. A broken wing. A stolen country. The last job didn't end well. Years go by, and scars fade, but memories only fester. For the animals of the Captain's company, survival has meant keeping a low profile, building a new life, and trying to forget the war they lost. But now the Captain's whiskers are twitching at the idea of evening the score. PRAISE FOR THE BUILDERS "A living, breathing world of vivid, winsome characters hellbent on their blaze of glory and as unforgiving as a runaway train carrying all your friends over a cliff. I haven't cared about animals this much since Watership Down." — Delilah S. Dawson, author of Hit and Wicked as They Come "Nobody does dark like Polansky. The Builders is Redwall meets Unforgiven, combining the endearing wit of Disney's Robin Hood with all the grit and violence of a spaghetti western." — Myke Cole, author of the Shadow Ops series "If Sam Peckinpah and Brian Jacques had a strange peyote ritual and shared a collective dream, it might look something liek this. Brutish, nasty, short — much like life — Polansky's The Builders is also funny, exciting, and extremely original. The Wild Bunch meets Watership Down." — John Hornor Jacobs, author of The Incorruptibles At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

They enslaved humanity three thousand years ago. Tall, strong, perfect, superhuman and near immortal they rule from their glittering palaces in the eternal city in the centre of the world. They are called Those Above by their subjects. They enforce their will with fire and sword. Twenty five years ago mankind mustered an army and rose up against them, only to be slaughtered in a terrible battle. Hope died that day, but hatred survived. Whispers of another revolt are beginning to stir in the hearts of the oppressed: a woman, widowed in the war, who has dedicated her life to revenge; the general, the only man to ever defeat one of Those Above in single combat, summoned forth to raise a new legion; and a boy killer who rises from the gutter to lead an uprising in the capital. Those Above is the first of an extraordinary new fantasy epic by the author of the acclaimed Low Town series that will sweep the reader into a wholly alien, wholly recognizable world of rebellion and revenge, of love and of death, of intrigue and pitiless war.

Hugo Award finalist Daniel Polansky crafts an innovative, mind-bending fantasy mystery in The Seventh Perfection When a woman with perfect memory sets out to solve a riddle, the threads she tugs on could bring a whole city crashing down. The God-King who made her is at risk, and his other servants will do anything to stop her. To become the God-King's Amanuensis, Manet had to master all seven perfections, developing her body and mind to the peak of human performance. She remembers everything that has happened to her, in absolute clarity, a gift that will surely drive her mad. But before she goes, Manet must unravel a secret which threatens not only the carefully prepared myths of the God-King's ascent, but her own identity and the nature of truth itself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The fresh, astonishing follow-up to the acclaimed Low Town, again combining steely hardboiled crime with dark fantasy Once he was a hero of the Great War, and then a member of the dreaded Black House. Now he is the criminal linchpin of Low Town. His name is Warden. He thought he had left the war behind him, but a summons from up above brings the past sharply, uncomfortably, back into focus. General Montgomery's daughter is missing somewhere in Low Town, searching for clues about her brother's murder. The General wants her found, before the stinking streets can lay claim to her, too. Dark, violent, and shot through with corruption, this book is a fantastic successor to a much-heralded fantasy debut.

A powerful magician returns to New York City and reluctantly finds himself in the middle of a war between the city's two most powerful witches. "It would help if you did not think of it as magic. M certainly had long ceased to do so." M is an ageless drifter with a sharp tongue, few scruples, and the ability to bend reality to his will, ever so slightly. He's come back to New York City after a long absence, and though he'd much rather spend his days drinking artisanal beer in his favorite local bar, his old friends—and his enemies—have other plans for him. One night M might find himself squaring off against the pirates who cruise the Gowanus Canal; another night sees him at a fashionable uptown charity auction where the waitstaff are all zombies. A subway ride through the inner circles of hell? In M's world, that's practically a pleasant diversion. Before too long, M realizes he's landed in the middle of a power struggle between Celise, the elegant White Queen of Manhattan, and Abilene, Brooklyn's hip, free-spirited Red Queen, a rivalry that threatens to make New York go the way of Atlantis. To stop it, M will have to call in every favor, waste every charm, and blow every spell he's ever acquired—he might even have to get out of bed before noon. Enter a world of Wall Street wolves, slumming scenesters, desperate artists, drug-induced divinities, pocket steampunk universes, and demonic coffee shops. M's New York, the infinite nexus of the universe, really is a city that never sleeps—but is always dreaming.
