There is a world that mirrors our own. Everything in this world is made of substance finer than air, finer than light, finer than thought itself - the aether. In the aether there are inner sensations such as ideas and feelings that are as tangible as anything in the material world. In *The Mentalist’s Handbook*, Clint Marsh gives us a glimpse of the world. He offers step-by-step exercises, detailed and beautifully written explanations and definitions, and gorgeous black and white illustrations by award-winning artist Jeff Hoke. Inspired by esoteric, occult, and magic books published over the last 150 years, Marsh has aspired to create something of singular importance in the tradition of classic occult manuals. Both practical and whimsical, and complete with visual aids, this field guide to the paranormal will appeal to students of the New Age, esoteric scholars, readers of post-modern and magical-realism, angel, ghost and fairy enthusiasts, comic and graphics fans, and artists alike.

An A-to-Z resource on paranormal phenomena, with illustrations. Stranded motorists on a lonesome road are rescued by angels. The phone rings with a call from beyond the grave. Covering topics from cryptids to psychics, telekinesis to telepathy, this concise, alphabetized handbook will guide you through the eerie, the undeniable, and the strange world of the paranormal. Once upon a time, events like ghost sightings were commonplace. Parlors were redecorated to accommodate seance rituals, and ghost stories poured from the culture. Psychic occurrences and abilities might have been feared and disliked, but they were accepted as a normal part of life. Today, we are experiencing a resurgence of all things paranormal. Join paranormal investigator and psychic Judith Joyce as she delves into this world with haunting detail and illuminating clarity. Joyce
