This innovative new study examines the significance given to the country house in Ireland under the Union and how this is represented in the works of Edgeworth, Lever, Trollope, Martin and Somerville, Bowen and Lady Gregory. The Irish country

# Where To Download

house is set in a classical and European context as the centre for 'the good life' and the pinnacle of 'civilisation'. In Ireland, that inherited tradition was challenged by an alternative culture nominated as 'savage'. This book explores how the

Irish country house  
was the focus of  
conflict between and  
symbiosis of  
'civilisation' and  
'savagery'.
