conclusion from the most telling analyses of police conduct is that the matter of police corruption is fundamentally one of ethics. That is to say, there will be some generally serious forms of conduct that it is easy to agree should be seen as "corrupt". There are others, however, where much depends on the nature and

Amazon.com: Police Ethics: The Corruption of Noble Cause ...  
The Code of Ethics is a first for everyone who works in policing in England and Wales. It sets out the principles and standards of behaviour we expect to see from police professionals. It applies to every individual who works in policing, whether a warranted officer, member of police staff, volunteer or someone contracted to work in a police force.
