Serial Eeprom Cross Reference Guide

If you ally infatuation such a referred serial eeprom cross reference guide books that will give you worth, acquire the enormously best seller from us currently from several preferred authors. If you want to humorous books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every book collections serial eeprom cross reference guide that we will no question offer. It is not on the subject of the costs. It's not quite what you craving currently. This serial eeprom cross reference guide, as one of the most vigorous sellers here will unquestionably be in the middle of the best options to review.

Technology Inc. 24LC04B is a 4Kb I2C™ compatible Serial

EEPROM. The device is organized as two blocks of 256 x 8-bit

memory with a 2-wire serial interface. Low-voltage design permits

operation down to 2.5V, with standby and active currents of only 1

µ A and 1 mA, respectively.

Serial Eeprom Cross Reference Guide

Summary. The Microchip Technology Inc. 24AA128/24LC128/24FC128 (24XX128*) is a 16K x 8 (128 Kbit) Serial Electrically Erasable PROM (EEPROM), capable of operation across a broad voltage range (1.7V to 5.5V). It has been developed for advanced, low-power applications such as personal communications or data acquisition.

24LC128 - Memory

The above Cross Reference Search is designed to be used as a guide for basic product information and for reference only. It is not intended to provide comprehensive product specifications and/or feature comparisons.

Macronix - Cross Reference Search

The Microchip Technology Inc. 25AA640/25LC640 (25XX640*) is a 64 Kbit Serial Electrically Erasable PROM [EEPROM]. The memory is accessed via a simple Serial Peripheral Interface (SPI) compatible serial bus. The bus signals required are a clock input (SCK) plus separate data in (SI) and data out (SO) lines. Access to the device is controlled through a Chip Select (CS) input.
