Voice of the Heart is the posthumous eleventh studio album by American pop duo Carpenters. It was released in 1983 after Karen's death and contains the two songs from her final recording sessions, "Now" and "You're Enough", as well as previously unreleased tracks from sessions of their previous albums A Kind of Hush and Made in America. At least one song, "Something in Your Eyes," was intended to be on this album, but Karen was unable to record her vocal before her death; it would be released in

~~Voice of the Heart - Wikipedia~~

~~Voice of the Heart by Barbara Taylor Bradford~~

On a practical level, The Voice of the Heart is about marriage, family, parenting, relationships, and work. But at the same time, it's about so much more. It's about our origin and our destiny-where we've come from, who we are, and who we will be tomorrow. It calls us to acknowledge our heart and embrace the truth that lives within us all.

In 2001, The Voice of the Heart began a steady journey into the lives of those looking for more. Since its initial release, The Voice of the Heart has been handed one friend to another and has helped thousands of people begin to speak the truth of their story and to live more fully from the heart. Answer the call to full living.

In his first volume of the Spiritual Root System CM series, Dr. Chip Dodd sheds light on the emotional and spiritual roles that feelings play in our lives. This book is a groundbreaking introduction to the timeless truths of the heart.

Profoundly insightful, The Voice of the Heart offers a deeper understanding of how to live an abundant life. Chip Dodd teaches us how to begin to know our hearts so that we better know ourselves and are better equipped to live in relationship with others and, ultimately, with God.

In this deeply personal book, artist and author Ed Young explores twenty-six Chinese characters, each describing a feeling or emotion, and each containing somewhere the symbol for the heart. Through stunning collage art that interprets the visual elements within each character, Young uncovers layers of emotional meaning for words such as joy and sorrow, respect and rudeness. He invites children to probe the full range of their own emotions, and gives parents, librarians, and older readers a context for discussing ethics and for examining the similarities and differences between old and new, East and West. Voices of the Heart is a truly unique exploration—or as Young writes, "adventure"—into the different moods, and dangers and abilities of the human heart.

A richly textured, highly entertaining tale of love, loss, and lifelong friendship from the #1 New York Times bestselling author of Remember (Booklist). Katharine Tempest and Francesca Cunningham couldn't be more different, one a stormy brunette and the other a cool blonde. Yet their friendship is a constant as their lives take shape, Katharine sweeping into Hollywood as one of the era's most sought-after actresses, and Francesca penning bestselling historical novels. But Katharine's relentless drive to succeed will inevitably change the lives of the people who love her, and she must learn to live with regrets even as she longs for redemption. This rare treat from Barbara Taylor Bradford offers another powerful story of indomitable women and the choices they make—you will laugh and cry with the characters and . . . you won't be able to put it down (Literary Guild Magazine). A rich tapestry of love and romance. The surprise ending is both poignant and fitting. The San Diego Union-Tribune A captivating work filled with glamour, intrigue and ironic reversal. Booklist

A New York Times bestselling writer explores what our unique sonic signature reveals about our species, our culture, and each one of us. Finally, a vital topic that has never had its own book gets its due. There's no shortage of books about public speaking or language or song. But until now, there has been no book about the miracle that underlies them all—the human voice itself. And there are few writers who could take on this surprisingly vast topic with more artistry and expertise than John Colapinto. Beginning with the novel—and compelling—argument that our ability to speak is what made us the planet's dominant species, he guides us from the voice's beginnings in lungfish millions of years ago to its culmination in the talent of Pavarotti, Martin Luther King Jr., and Beyoncé—and each of us, every day. Along the way, he shows us why the voice is the most efficient, effective means of communication ever devised: it works in all directions, in all weathers, even in the dark, and it can be calibrated to reach one other person or thousands. He reveals why speech is the single most complex and intricate activity humans can perform. He travels up the Amazon to meet the Piraha, a reclusive tribe whose singular language, more musical than any other, can help us hear how melodic principles underpin every word we utter. He heads up to Harvard to see how professional voices are helped and healed, and he ventures out on the campaign trail to see how demagogues wield their voices as weapons. As far-reaching as this book is, much of the delight of reading it lies in how intimate it feels. Everything Colapinto tells us can be tested by our own lungs and mouths and ears and brains. He shows us that, for those who pay attention, the voice is an eloquent means of communicating not only what the speaker means, but also their mood, sexual preference, age, income, even psychological and physical illness. It overstates the case only slightly to say that anyone who talks, or sings, or listens will find a rich trove of thrills in *This Is the Voice*.

When Christian music superstar Evan Worthy's brothers want out--off the road and it's up to him to provide a home for all of them. Who can care for his family like Evan? When he hires Matt's online friend's sister to cook and clean, can his brother's keep the secret of his identity from his greatest fan? Cam has been the caretaker for her sisters and cancer stricken father for many years. When she loses her job and is offered a housekeeping position by her sister's online friend, she jumps at the chance. Just cooking in the huge, well-stocked kitchen delights her. Caring for this bunch means keeping Kiri and Matt from teenage temptation, watching Keith and Sydney fall madly in love and hoping, wishing that the third Beers brother, her mysterious online pen-pal, might develop feelings of his own. Will Evan choose a life off the road for his brothers' sake or will Cam be the one who can make a home all of them?

Two women. Born on opposite sides of the world. Both experience catastrophic loss. Until their lives intersect... Laura is a young woman who has it all. A loving husband who has just begun his private medical practice. A beautiful home nestled in the hills north of San Diego. A promising counseling career. Life has given her everything she could ever hope for...but she would give it all up without a second thought. Despite appearances, there is one thing Laura wishes for and desires more than anything else...the one thing that life won't give her. And the pursuit of that one thing nearly destroyed her. Adrianna, a refugee in a foreign land, has left behind a home ravaged by war. In her arms, she clings to her new baby girl as they travel across the country to their new life. Adrianna has lost her husband, her parents, and the only man she ever truly loved. The only thing the young mother clings to besides her precious baby girl is a glimmer of hope that her life will be better than the one she left behind. Fate brings the two women together and they are drawn to one another as kindred spirits, each recognizing a familiar pain in the other. Can their new friendship heal old wounds and navigate the pitfalls that come with starting over? And what happens

when Laura's new best friend makes a choice she will never be able to comprehend?

The heart of singing for kids, is a unique instructional vocal book recently released by Kathryn Staley-Hamm. The five-step approach to vocal technique is written in easy to comprehend story book style. The "H.E.A.R.T.", makes up the five steps in learning how to sing; The Heart of singing, the Ear of singing, the Art of singing, Reach for the stars and Train means practice. Children will find this interesting, easy to read, and encouraging. Illustrations for the book were provided by local art student contest winners. The colorful pictures complement and visually highlight the text. This book is designed to be a beginning basic guide to encourage direction for future study and performance. The audio CD is currently unavailable at this time, but the audio file will soon be available. Link to come soon.
