As a result of rapidly evolving commercial, technological and economic dynamics, more and more businesses conduct business across multiple state jurisdictions. At the same time, state tax rules have become significantly more complex, and the states have become increasingly more aggressive in enforcing and collecting tax payment. Now, more than ever, business taxpayers and their advisors need to understand the traps, pitfalls and opportunities in the state corporate tax arena--before the inevitable state corporate income tax audit becomes a reality. This CCH Master Guide serves as a handy desktop reference containing concise explanations on major corporate tax issues that are readily accessible and easy to
